## Copper Ankh

\$210.00

A healing tool for increase life-force energy that flows from the spine through the 5th Chakra. Clear Quartz 20 cm x 30 cm copper diameter 0.8 cm. The Ankh has been used in Egyptian culture to bring about the opening of the Afterlife to enable initiates to space travel to other constellation's. This tool can be used to open the voice or the "sound" that represents the 5th Chakra. In the beginning it was the sound vibration that created geometrical shapes. Sound came before Light so the Ankh symbolizes creation and can be used by the Lightworker to create a new beginning. The Ankh is made in copper, Ancient Egyptians valued copper more than gold, copper is a super conductor and amplifies the energy of the Quartz Crystals.

Copper are known to capture the highest level of tachyon energy. Ether, prana and tachyon energy are the same thing, they extend everywhere and are accessible at any point in space/time/dimension. This is the great secret of zero-point energy ZPE.

All of the Healing Tools are handcrafted and made to order. Items ship within 2 weeks price includes shipping.
