Crystal Merkaba Wand

\$233.00

Crystal Merkaba Copper Wand, two smokey quartz. Namaqualand smokey quartz. The crystals occurs in colours ranging from light grey to black, in many unusual configurations, The Namaqualand smokies are some of the most desirable collectors crystals in the world.

An excellent grounding and protection stone, which softens negative energies and allows positive frequencies to enter the realm of affectation. The two triangle copper configurations enhances the Merkaba wand and can be used for lightworkers healing and protection and cosmic meditation. The Namaqualand quartz is a "Stone of renewal and cooperation" enhanced with the Merkaba copper healing tool reflecting the annual renewal of life for which Namaqualand is justly famous and stimulating the unification of energies directed to the same goal.

Use the Merkaba Copper Wand to meditate on the creation of life forces and the production of dynamic healing powers. Sometimes the Namaqualand has haematite phantoms and can be used in the treatment of blood and nervous disorders and insomnia. It is also used in spinal alignment and healing of the vertebrae. The Copper Merkaba Wand is exactly half of an Egyptian cubit 262mm. The 2 Triangle merkabas are placed in the Phi ratio of the Egyptian Cubit of 262mm making it extremely powerful for Vibrational healing and will enhance the Lightworker.
